

NOTHING BUT TROUBLE

CHEVY CHASE DAN AYKROYD JOHN CANDY DEMI MOORE

When stock market whiz Chris Thorne (Chevy Chase) takes New York attorney Diane Lightston (Demi Moore) and two wealthy, eccentric clients on a Saturday drive to a business seminar, he hopes only to spend a pleasant time scoring romantic points with the lady lawyer. Instead, his detour off the New Jersey Turnpike leads him into a ramshackle, remote village called Valkenvania, where a minor driving infraction lands the unfortunate travellers before ancient, irascible Justice of the Peace Alvin Valkenheiser, who bears a seething grudge against 'outsiders' and quickly sentences his terrified traffic offenders to death. Their efforts to escape entail bizarre encounters with the highly unusual residents of Valkenvania and with a carload of rap musicians who have been sentenced to a similar fate.
